

Public Health Emergency Preparedness

Potassium Iodide (KI) tablets Distribution

The current distribution of potassium iodide (KI) makes the thyroid-protecting tablets available at **no charge to those who live within the 10-mile Emergency Planning Zone (EPZ)** of the McGuire Nuclear Power Plant. To view the Emergency Planning Zone for McGuire Nuclear Power Plant visit: http://www.duke-energy.com/pdfs/mcguire_epz_map.pdf

Below is information specific to Iredell County about pick-up sites, available hours and special instructions for use. [KI Fact Sheet](#)

A MASS DISTRIBUTION OF KI TABLETS TO RESIDENTS LIVING IN THE 10 MILE EPZ WILL BE ON SEPTEMBER 18, 2010 FROM 9AM-1PM AT THE FOLLOWING LOCATIONS:

**PINE LAKE PREPARTORY
104 YELLOW WOOD CIRCLE
MOORESVILLE, NC 28115**

**WOODLAND HEIGHTS ELEMENTARY
288 FOREST LAKE BLVD.
MOORESVILLE, NC 28117**

If you cannot make it on September 18th, but still want to pick up KI tablets. Please call the Health Department offices below to check on availability.

Iredell County Health Department (2 locations):
