A person's silhouette is visible on the right side of the image, standing against a dramatic sunset sky. The sky is filled with warm, orange and red hues, and a crescent moon is visible in the upper left quadrant. The overall mood is contemplative and serene.

# DRUG-ALCOHOL ABUSE FREE IREDELL

## Resource Guide

The coalition is comprised of agencies, organizations, and community members committed to the reduction and prevention of drug/alcohol misuse, abuse, and overdose deaths in Iredell County.

Addiction knows no stranger. It does not discriminate on age, gender, color, education level or social class. No one wants to grow up to be an addict and lose everything they once had and loved. Get the help you need, now.

# LIFE MATTERS

FIGHT addiction TOGETHER and SAVE our COMMUNITY

## INPATIENT DETOX

Inpatient rehab is a treatment facility where patients stay for various lengths of time depending on program. Detox is medically supervised for intoxication substance use & abuse (generally 3-5 days).

## OUTPATIENT COUNSELING

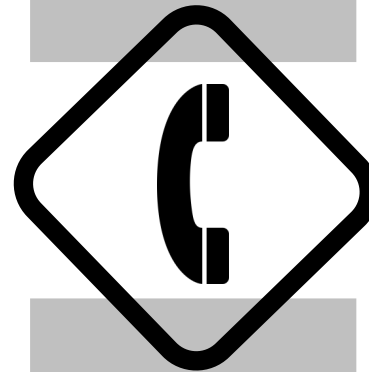

Flexible treatment options while living at home and continuing day to day life.

## MEDICALLY ASSISTED TREATMENT (MAT)

Use of medication with counseling and behavioral therapy to treat substance use disorder and prevent opioid overdose.

## HOTLINES
