How It Works: The Basics

- Parents fill out a registration form and list the child's Christmas wishes, along with other helpful information for Santa (pets, hobbies, siblings, school/home behavior, etc)
- North Pole Operators: Place the call and announce to the child that Santa is calling.
- Santas: Talk with each child briefly about their Christmas wishes (1-2 minutes each).
- **NO GIFTS** are distributed during this event (this is only a phone call).
