Updates Regarding Phase 1 Reopening Plans

Effective Monday, May 11, the Iredell County Parks & Recreation Department will be making the following changes, in accordance with allowances provided by the Phase 1 Implementation Plan issued by the State.

The following changes will apply:

- Park Restrooms and Water Fountains will reopen to the public
- Usage fees for the Stumpy Creek Boat Landing will be reinstated

The following information will remain in place:

General Considerations

- Physical distancing (6 ft minimum) should be observed in public.
- Limit gatherings to less than 10 people
- Face masks are recommended as much as possible.
- Do not engage in activities that require physical or shared contact, or use of shared surfaces (such as playgrounds, sports equipment, etc)
- Dispose of trash properly, or take it with you when you leave
- Please respect areas or amenities of the park that are not currently available for use (playgrounds, courts), and do not attempt to use these or remove signage/fencing
- Use of park properties or amenities is considered "Use At Your Own Risk". While there is mitigation guidance, social recommendations, and sanitizing procedures in place, transmission can still occur.
- Interactions with public patrons and Iredell County staff will be by appointment only. We are not able to accept walk-in visitors at offices or buildings. Please contact the department or staff directly if you need assistance.

Open

- Park Properties: Stumpy Creek Park, Stumpy Creek Boat Landing (fees charged), Scotts Rosenwald Park, Jennings Park, Bigleaf Slopes Park, East Iredell Lions Club Community Park
- Park Trails
- Park open spaces and fields (no organized groups/teams, or groups larger than 10 people)

Temporarily Closed

- Facilities: Iredell County Recreation Center, Community Building (Scotts Rosenwald Park, East Iredell Lions Club)
- Amenities: Playgrounds, Courts
- Programs, Trips, Classes

- ICPRD will not be hosting in-person Summer Camps for the month of June. July has not been determined at this time. Take-home activity “Camp Kits” will be available for the month of June.
- Spring Sports and Athletic Leagues have been cancelled at this time
- Adult Day Trips are currently cancelled
- Group reservations for shelters or other park amenities are not permitted through the month of May

We appreciate your understanding, patience, and cooperation!
